- Occupation: Gamemaster at Pulse Entertainment (Jenova)

Turn-ons: Dancing, taking chances, and beaches.

Turn-offs: Rude people.

Hobbies: Photography and creating movies.

Ideal date: A day at the beach!

Most romantic evening: Picnic at Costa Del Sol

Favorite Places: Costa Del Sol and Mist Beach

About Me: I'm Pulse's naughty gamemaster and the owner of the Redlight Strip Club. You can find me at Pulse dealing naughty blackjack trying to keep my panties on or running the show at the Redlight Strip Club. If there is gamba or dancing, you can probably find me at many of Eorzea's hottest night spots.

Favorite Quote: You can't get lucky if you don't take a chance!

Most Embarrassing Moment: I had to make a movie that didn't leave anything to the imagination to pay off a debt.
